6 JUN 2001

MARINE CORPS BASE ORDER 5213.1A

From: Commanding General
To: Distribution List

Subj: MANAGEMENT OF BLANK FORMS

Ref: (a) MCO 5213.7C
(b) MCO 5213.8

Encl: (1) Stocking Activity Codes
(2) Numerical Listing of MCCDC/MCB Blank Forms

1. Purpose. To establish policy, guidance, and responsibility for forms management at MCB, Quantico.

2. Cancellation. MCBO 5213.1.

3. Summary of Revision. This order is a major revision and should be read in its entirety. There is a critical change in the processing of MCCDC/MCB Quantico forms and requests for all forms carried in the Federal system, (i.e., DD, NAVCOMPT, NAVMC forms, etc.).

4. Information

a. Enclosure (1) is a list of the stocking activity codes. Enclosure (2) is a list of the blank forms presently produced for the Base. This order is to be used to satisfy requirements for blank forms and to assist in their requisitioning, stocking, and issue. Reference (a) establishes the responsibilities and objectives for forms management in the Marine Corps. Reference (b) provides guidance for the management of blank forms within CMC, MCB, and Marine Corps Systems Command.

b. Certain printed items with limited blank spaces for insertion of specified data may be exempt from forms management unless it is advantageous to number them for control, reference, printing, stocking, and requisitioning or the information solicited is covered by the Privacy Act. Examples of forms that may be exempt are:

Certificates
Diplomas
Contract provisions
Cover sheets

6 JUN 2004

Manuscript covers
Address tags
Folders
Envelopes
Formats
Form letters used to disseminate information

c. All form requests (reprints, revision, or new), are to be brought or sent to the Forms Manager, Adjutant Branch (B 013), G-1, Bldg. 3250, Room 107 before going to Defense Printing Service Detachment Office (DPSDO). Allow 2 weeks for reprinting of forms after a completed, signed copy of the DD Form 844, Requisition for Local Duplicating Service, has been submitted to the Forms Manager along with the requested form.

d. Proposed new forms sent for analysis require a lead time of 4 weeks for design and 2 additional weeks for printing.

e. Data needed for form format should accompany existing or new forms to be converted to electronic forms. Facsimile or copy of form with signed DD Form 844 should be submitted along with data.

5. Action

a. Adjutant

(1) Administer the subject program and designate a Forms Manager for this Base.

(2) Develop new forms in an electronic format using the approved Marine Corps standard form program.

(3) Assume complete responsibility for producing, reproducing, storing, and distributing the designed electronic product. Provide assistance with the approved software.

(4) Process all forms before sending to DPSDO.

(5) Review requests prior to printing of all forms not locally stocked but carried in Federal supply systems.

(6) Comply with the Privacy Act of 1974 in the forms management program.

(7) Maintain data for historical files on forms.

(8) Maintain reference files on systems sponsored forms used at this Base.

6 JUN 2001

(9) Analyze and approve the development of locally produced forms and recommend revisions or possible expanded use of forms.

(10) Monitor and ensure requests from form sponsors do not exceed a year's supply when printing MCCDC forms. The only exceptions are forms stocked at Direct Support Stock Control (DSSC), Self-Service that have a 180-day stocking level.

(11) Review new or revised orders that include any type of forms.

b. Assistant Chief of Staff, G-4. Direct the Head, Material Branch to provide the Forms Manager, Adjutant Branch, for review a list of MCCDC forms not meeting DSSC 180-day stocking criteria.

c. Addressees

(1) Route requests for all forms through the Forms Manager, Adjutant Branch, prior to local reproduction.

(2) Coordinate with the Forms Manager, Adjutant Branch, prior to the development, design, revision, or cancellation of forms.

(3) Use existing forms when possible in lieu of developing new forms.

d. Sponsors of Forms

(1) Evaluate annually enclosure (2) which contains those forms created by your organization. Check the stocking activity column to determine whether these forms are still current and required or need to be revised, cancelled, or another existing form can be used in its place.

(2) Review the forms in enclosure (2) for:

(a) Revision

(b) Cancellation

(c) Utilization of another existing form

(d) Conversion to electronic format

(3) Electronic and Computer-Generated Forms

(a) Ensure that existing forms are not duplicated by electronic processes (word processors or related software packages) unless written approval from the functional sponsor/originator and Forms Manager, Adjutant Branch, is obtained.

MCBO 5213.1A

6 JUN 2001

(b) Designate an individual as the focal point for electronic and computer-generated forms. Individuals designated must be familiar with the capabilities and limitations of electronic hardware and software in their organization.

D. L. WRIGHT
Chief of Staff
